

iSportz Premium Support

Ensure the utmost care for your mission-critical systems with our dedicated support services. Right from the start, our team of product specialists is committed to providing personalized support.

What's Included:

➤ 24/7 Support

Access senior technical experts available round the clock to offer assistance and guidance.

➤ Faster Turnaround Times

Experience quick responses, with a target of 1 hour for P1 problems and 3 hours for P2 issues, ensuring timely response.

➤ Customer Success Manager (CSM)

Benefit from direct interaction with our senior technical experts and your designated CSM, who will regularly evaluate open cases and address any persistent issues.

➤ Quarterly Technical Reviews

Our CSMs will comprehensively assess your technical environment, configurations, and performance to provide deep insights, cost reduction, and optimization recommendations
